

PARTNER WITH PURPOSE: 2026 FALL CORPORATE SPONSORSHIP

Position Your Brand at the Center of Community Innovation and Personal Transformation

Every business looks for opportunities where its marketing budget can create both high corporate visibility and meaningful community impact. By partnering with CARS (Christ-Centered Addiction Restoration Services) for our upcoming Electronic Recycling Community Day, your business does both.

This highly anticipated regional event brings together a diverse, high-value demographic—local business owners, families, tech-savvy professionals, and environmentally conscious citizens. Your \$500 sponsorship directly funds our mission to restore lives destroyed by addiction, bringing renewal, purpose, hope, and meaning to the broken.
